Sir:

In the Office Action mailed 9/28/05, the examiner re-stated the following:

Section-2: Claims 1-16 are rejected under 35 U.S.C 102(a) as being anticipated by Pugh et al. (US 6,801,052)

Section-10: Claims 5 and 13 are rejected under 35 U.S.C. 103(a) as being unpatentable over Pugh et al (US 6,801,052) in view of Sugibayashi et al. (US 6,515,551).

Section-11: Claims 17-20 are allowed.

In response, the applicant has deleted claims 1-16 and has accepted the allowed claims 17-20 for this prosecution. The applicant will submit a continuation application to state the deleted invented matter in better contrast with respect to the sighted references. Withdrawal of the objections and rejections is respectfully requested.

Please amend the claims as listed below.
